Kyle Romero

kgromero@gmail.com   (281) 857-9006   https://kgromero.com

Hello! My name is Kyle Romero. I am a software development manager, with full-stack senior software development experience, living in Houston, Texas. I have a Bachelor's Degree in Computer Engineering from Texas Tech University, and have worked in the IT field since 2007 in software engineering. Currently, I am a manager of operations technology, and previously was as a team lead and senior developer at Worldwide Machinery, and a technical lead at HP. I have extensive knowledge of all aspects of a successful software project, and have used many different technologies and methodologies over the years.
